Dear Dr. Compeán,

In accordance with paragraph 19 of the Resolution C-12-07, I hereby provide you with the report on transshipments carried out during the period of 2016.

For the quantities by species transshipped and the name of the vessels carrying out transshipment in 2016, please refer to attachment 1 and attachment 2 respectively.

First of all, we find that the LSTLV Flag of our vessels in IATTC Observer Report (Trip Number: IATTC253) shows as "Taiwan, China", we request that the Secretariat correct it to "Taiwan" or "Chinese Taipei".

After verifying our 2016 statistic data of transshipments provided by our fishing vessels and the IATTC observer reports provided by the Secretariat, except the flag of F/V TUNA STAR No 1 record in IATTC Observer Report (Trip number: IATTC253, TS19) is incorrect, which should be Vanuatu, we conclude that the transshipment activities information recorded in IATTC observer reports, including date, location, vessels name, species and tonnage are consistent with our data.

Sincerely yours,
