CONSERVATION PROGRAM
37th MEETING OF THE PARTIES**

San Diego, California (USA)
17 August 2018

PROPOSAL MOP-37 A-2

SUBMITTED BY THE UNITED STATES

**RESOLUTION ON IMPROVING OBSERVER SAFETY AT SEA:
EMERGENCY ACTION PLAN**

The Parties to the Agreement on the International Dolphin Conservation Program (AIDCP):

Recognizing that observers play a critical role in supporting effective management outcomes and; therefore, it is critical that measures are in place to ensure their safety while undertaking their duties;

Committing to the implementation of paragraph 6 (f) in Annex II of the Agreement, which specifies that the responsibilities of Parties shall be to ensure that captains, crew, and vessel owners do not obstruct, intimidate, interfere with, influence, bribe, or attempt to bribe an observer in the performance of his or her duties;

Concerned that the AIDCP needs a plan to respond to emergency situations to ensure the safety of observers operating within the legal and institutional framework of the AIDCP; and

Noting the commitments in international law, including the provisions of the International Convention on Maritime Search and Rescue, with regard to the development of an international maritime search and rescue plan for the rescue of persons in distress at sea;

Resolve as follows:

1. These measures apply to observers in the On-Board Observer Program, which includes IATTC observers and the Parties' respective national observer programs.
2. In the event that an observer dies, is missing or presumed fallen overboard, the Party to which the fishing vessel is flagged shall ensure that the fishing vessel:

 - ii. immediately commences search and rescue if the observer is missing or presumed fallen overboard, and searches for at least 72 hours, unless the observer is found sooner, or unless instructed by the flag Party to continue searching;¹
 - iii. immediately notifies the flag Party and the observer provider;
 - iv. immediately alerts other vessels in the vicinity by using all available means of communication;

¹ In the event of force majeure, flag Parties may allow their vessels to cease search and rescue operations before 72 hours have elapsed.

 - v. cooperates fully in any and all official investigations into the cause of the illness or injury.
5. For the purposes of paragraphs 2 through 4, the flag Party shall ensure that the appropriate Maritime Rescue Coordination Centre (<http://sarcontacts.info>), observer provider, and Director are immediately notified and provided a report on actions undertaken.
6. In the event that there are reasonable grounds to believe an observer has been assaulted, intimidated, threatened, or harassed such that their health or safety is endangered and the observer or the observer provider indicates to the Party to which the fishing vessel is flagged that they wish for the observer to be removed from the fishing vessel, the Party to which the fishing vessel is flagged shall ensure that the fishing vessel:
 - i. immediately takes action to preserve the safety of the observer and mitigate and resolve the situation on board;
 - ii. notifies the flag Party and the observer provider of the situation, including the status and location of the observer, as soon as possible;
 - iii. facilitates the safe disembarkation of the observer in a manner and place, as agreed by the flag Party and the observer provider, that facilitates access to any needed medical treatment; and
 - iv. cooperates fully in any and all official investigations into the incident.
7. In the event that there are reasonable grounds to believe that an observer has been assaulted, intimidated, threatened, or harassed but neither the observer nor the observer provider requests that the observer be removed from the fishing vessel, the Party to which the fishing vessel is flagged shall ensure that the fishing vessel:
 - i. takes action to preserve the safety of the observer and mitigate and resolve the situation on board as soon as possible;
 - ii. notifies the flag Party and the observer provider of the situation as soon as possible; and
 - iii. cooperates fully in all official investigations into the incident.

8. If any of the events in paragraphs 2 – 6 occur, port Parties shall facilitate entry of the fishing vessel to allow disembarkation of the observer and, to the extent possible, assist in any investigations if so requested by the flag Party.
9. In the event that, after disembarkation from a fishing vessel of an observer, an observer provider identifies—such as during the course of debriefing the observer—a possible violation involving assault or harassment of the observer while on board the fishing vessel, the observer provider shall notify, in writing, the flag Party and the Director, and the flag Party shall:
 - i. investigate the event based on the information provided by the observer provider and take any appropriate action in response to the results of the investigation;
 - ii. cooperate fully in any investigation conducted by the observer provider, including providing the report to the observer provider and appropriate authorities of the incident; and
 - iii. notify the observer provider and the Director of the results of its investigation and any actions taken.

11. Where requested, relevant observer providers and Parties shall cooperate in each other's investigations, including providing their incident reports for any incidents indicated in paragraphs 2 through 7 to facilitate any investigations as appropriate.
12. This Resolution shall enter into force on 1 January 2020.
