

JOINT WORKING GROUP ON FISHING BY NON-PARTIES

7TH MEETING

PANAMA
20 JUNE 2008

DOCUMENT JWG-7-04

IATTC IUU VESSEL LIST

IATTC [Resolution C-05-07](#) requires the establishment of a list of vessels presumed to have carried out illegal, unreported and unregulated (IUU) fishing activities in the eastern Pacific Ocean, based on information collected by CPCs and obtained from any other relevant sources.

The procedure for compiling the List is as follows:

1. CPCs transmit to the Director, before 1 February, a list of any vessel presumed to have carried out IUU fishing activities in the EPO during the current and previous years, together with supporting evidence;
2. On the basis of this information, the Director prepares a draft IATTC IUU Vessel List and circulates it, with the supporting evidence, to CPCs, and to non-Parties with vessels on the List, before 1 March; before 15 April, CPCs and non-Parties transmit their comments on the draft List to the Director;
3. The Director prepares a provisional IATTC IUU Vessel List, and transmits it, with the supporting evidence, to the CPCs and the non-Parties concerned two weeks in advance of the Annual Meeting of the Commission.

Although comments have been received with respect to vessels on the List and to other vessels that could be considered for inclusion, the procedures associated with the preparation of the IUU lists are not completely clear. For example, while the Secretariat has received some comments relative to the IUU lists, our understanding is that it does not have the authority to actually amend the IUU List, or create a draft or provisional List, based simply on the suggestions of a Party. Under these circumstances, our understanding is that the provisional List, to be considered by the Working Group, is the same as the draft List, which in turn is the same as the current [IATTC IUU Vessel List](#)¹ (Appendix A). Comments on the IUU List received from governments were included in the memorandum sent on 6 June regarding the provisional IUU List.

Resolution C-05-07 establishes, *inter alia*, that:

1. The Joint Working Group shall each year examine the provisional IATTC IUU Vessel List, as well as any relevant information provided by CPCs.

The Joint Working Group shall remove a vessel from the provisional IATTC IUU Vessel List if the vessel's flag State demonstrates that:

- a. The vessel did not engage in any of the IUU fishing activities described in paragraph 1 of the Resolution, or
 - b. Effective action has been taken in response to the IUU fishing activities in question, including, *inter alia*, prosecution, and imposition of sanctions of adequate severity.
2. Following the examination referred to in the above paragraph, the Joint Working Group shall recommend that the Commission approve the provisional IATTC IUU Vessel List, as amended by the Joint Working Group.

In considering the IUU List, CPCs should take note of the information on certain vessels included in the memorandum regarding the provisional IUU List. Also, a number of other problem vessels are noted in the report prepared for the meeting of the Working Group on Compliance (Document COM-9-04), and this information is also very relevant to this process.
