Re: 11<sup>th</sup> Meeting (Extraordinary) of the Committee for the Review of Implementation of Measures Adopted by the Commission – by videoconference – 29-30 March 2021

---

During the 95th annual meeting of the IATTC held by videoconference on November 30-December 4, 2020, it was agreed that an extraordinary meeting of the Committee for the Review of Implementation of Measures Adopted by the Commission would be held by videoconference in early 2021.

1. DATES AND TIMES: As discussed and coordinated with the Chairman of the Committee, Mr. David Hogan, and as already published on the Commission's website, this meeting will be held by videoconference on **29 and 30 March 2021**.

As with the Commission and Scientific Advisory Committee meetings that were held in this format during 2020, each session of the 11th (extraordinary) meeting will begin at **3 PM PDT** San Diego time (UTC -7) and will last approximately three hours, until **6 PM PDT**.

2. RULES OF PROCEDURE: In conformity with the provisions of Article 1 of the Commission's Rules of Procedure, the ***Ad Hoc Rules of Procedure*** proposed by the Chair of the Commission for its 95th meeting and adopted by the Commission in Resolution *C-20-01* shall apply *mutatis mutandis*.

3. AGENDA: Attached to this memorandum is the **provisional agenda (focused)** for the meeting, which has been already published on the IATTC website, on the page corresponding to the meeting.

Taking into account the considerations made during the 95th annual meeting that led to the convening of this extraordinary meeting of the Compliance Committee by videoconference, this agenda reflects the primary objective of the meeting, the review by the Committee of the reports to be submitted by each of the CPCs in accordance with the provisions of Resolution *C-11-07* on their compliance **during 2019** with the Commission's measures and resolutions in force. This annual review could not be carried out as expected in 2020 because the Committee did not meet that year.

The items relating to the Cooperating Non-Members and the INN list are not included in the provisional agenda (focused) because they were dealt with and resolved for the 2020-2021 period by the Commission at its 95th meeting.

4. WORKING DOCUMENTS: The **working documents** for the meeting have also been posted on the IATTC website ([Compliance 2019](#)). In order to enter this site with restricted access due to the confidentiality of the information as established in Resolution [C-11-07](#), it is necessary to use the username and password indicated below:  
In addition to the compliance questionnaires completed and submitted by the CPCs, this site contains the report prepared by the Secretariat on compliance with the IATTC resolutions during 2019, as well as the compendium of possible infractions committed that year, with the responses and comments submitted by the CPCs.
5. REGISTRATION: As for previous meetings, a "**registration form**" can be found on the Commission's web site corresponding to the meeting, which each delegation member is requested to fill out and please submit the list of the members in your delegation as soon as possible to Ms. Mónica Galván, Assistant Director, [mgalvan@iattc.org](mailto:mgalvan@iattc.org) .
