Subject: Notification of United States Data Buoys per Resolution C-11-03

Dear Dr. Compeán:

Pursuant to Resolution C-11-03 (*Resolution Prohibiting Fishing on Data Buoys*), this letter updates the Commission regarding anchored data buoys in the IATTC Convention Area. On November 26, 2014, the National Marine Fisheries Service submitted to the IATTC a list of data buoys to which Resolution C-11-03 applies, and corresponding locations. Since then, the locations of several of the data buoys have changed. The enclosed list reflects the most current information, which NOAA's National Data Buoy Center (NDBC) provided on April 27, 2020. The Commission may obtain additional information directly from the NDBC's website: <http://www.ndbc.noaa.gov>.

Please circulate this letter to all Commission members and cooperating non-members. If there are any questions regarding the United States' reporting under Resolution C-11-03, please contact me at (562) 980-4025 or at lyle.enriquez@noaa.gov.

Sincerely,

Lyle Enriquez
