Subject: RE: Recomendación C-12-11 sobre el área de traslapo CIAT-WCPFC / Recommendation C-12-11 on the IATTC-WCPFC overlap area

Dear Mr. Franco,

In response to memorandum 0153-410 regarding Recommendation C-12-11, I wish to respond on behalf of Canada. There are no Canadian flagged vessels that fish within or adjacent to the Overall Area. As a result, the provision set forth under paragraph 4 a. iii does not apply to those Canadian flagged vessels that are on the registers of both the IATTC and WCPFC.

Thank you for considering our response.

Regards,

José Benchetrit (Mr.)
